

## REPORT ON THE SUPREME SHOW 2008

### JOYCE GREEN

I very much enjoyed my day among the beautiful Birmans. Their owners are to be congratulated on presenting them in such superb condition and it was a joy to judge them.

I am very grateful to my stalwart team of stewards who worked very hard; Michael 'the chief', David Denny and Beverly Hill. Thank you for all your help and for handling the cats so well.

#### SEAL POINT BIRMAN GRAND PREMIER: MALE

1 UK GR PR BUTLER GRPR ZACHINI JINGLEBELLES CHINO

A big gentle boy whose long body is well muscled and feels solid. Thick-set legs, strong round paws, good tail in proportion. His coat has fine silken texture and is well groomed, very nice colour overall, deep seal mask and ears, tidy gloves, well matched gauntlets. Rounded head has medium ears set well apart, slight dip in profile, good chin. Eyes of very good shape and colour. He has a very nice temperament and condition.

#### SEAL POINT BIRMAN GRAND PREMIER: FEMALE

1 UK GR PR ATTTY CH & GRPR SYRALETTE BLUSHING BRIDE

A stylish lass, well proportioned, body well muscled with very good substance, thick-set legs, paws well shaped. Lovely silken coat with full ruff framing her face, nice bushy tail, overall colour is pale with deep seal points, markings to feet are very good. Strong rounded head, ears are well placed, well developed muzzle and very good line in profile. Deep blue eyes have lovely expression. Lovely temperament and condition, she looks fabulous and certainly belies her age of fifteen years.

#### SEAL POINT BIRMAN PREMIER: MALE

1 GR PR BOB SEYMOUR PR FANCYPAWS MRBOJANGLES

Large, handsome fellow who feels solid and muscular, thick-set legs with strong paws, very good bushy tail, all nicely in proportion. Lovely well prepared coat texture is fine and silky, very good colour, deep seal mask and ears, Very good markings to all feet. Rounded head has medium ears well placed, well developed muzzle, expressive eyes of very good shape and colour. A friendly boy with lovely temperament and condition.

#### SEAL POINT BIRMAN PREMIER: FEMALE

1 GR PR SEMOS UK GRCH & PR PRIDNJOY ARABESQUE

A stylish girl whose well muscled body has very good substance, thick-set legs, well shaped paws, bushy tail in proportion. Lovely silky textured coat is well prepared, light beige with deep seal points, all markings to feet are very good. Rounded head has medium well placed ears, muzzle well developed, nice line in profile. Almost round eyes are deep blue and she has a lovely expression. Lovely temperament and condition. A real sweetie looking really good for her age.

2 MELLOR CH & PR ADFURLO GLENKENSDRAMBUIE

A lively lass who wanted to explore her surroundings including our paperwork! Long body has good muscle, well proportioned legs, short strong paws, nice bushy tail. Fine silky textured coat well prepared, nice ruff around her neck, overall colour is very good and she has deep seal points. Tidy markings to all feet. Well shaped head, ears are spaced well apart, very good eye shape and colour and she has a lovely face and expression. Very nice temperament and condition

#### SEAL POINT BIRMAN PRE-PREMIER: MALE

1 PR BUSH KUTAZA KAILIF

A well structured youngster for his age of ten months. Firm muscular body has nice substance, thick-set legs, well shaped paws, lovely bushy tail. His coat has fine silky texture and is well prepared, deep seal ears and colour developing well on mask and other points. Gloves level across paws, tidy gauntlets, round eyes are clear blue. Lovely condition and temperament, a stylish boy.

## 2 LYSENG ADATELO RIVER BAYGAZER

Young boy of eleven months showing good muscle to body with thick-set legs and short strong paws, bushy tail is in proportion. His coat is fine and silken textured and he is well groomed, overall colour is good with well marked seal points, tidy markings to all feet. Well shaped head, ears set well apart, muzzle developing, slight profile dip. Expressive eyes of very good shape and colour. Very good temperament and condition, an alert and friendly lad.

### SEAL POINT BIRMAN KITTEN: FEMALE

#### 1 BOB HOBSON TWINKLETOES JASMIN

An attractive kitten of seven months with very nice substance and muscle to body, well proportioned legs with strong paws, nice bushy tail. Lovely silky texture to coat which has good length and is well prepared, pale clear colour on body, colour on points developing. Rounded head is shaping up well, growing into ears which are well placed, slight dip in profile, clear blue eyes well set. Lovely temperament and condition, she is a real sweetie.

### CHOCOLATE OR LILAC POINT BIRMAN GRAND PREMIER: MALE

These were three super boys who all deserved the top award and they caused me quite a headache!

#### 1 UK GRPR BOB HEALING GR PR SUCETTE MIDNIGHT COWBOY 13c4

A very attractive exhibit of very good proportions, long body is well muscled, very good tail and limbs, strong paws. Lovely coat is very well prepared, long silken texture, pale even colour with nice lilac points, all markings to feet are good. Broad rounded head, medium ears well spaced, nice line in profile. Well shaped deep blue eyes show lovely expression. A gentle and friendly boy in lovely condition.

#### 2 ENSOR IGR PR KHATIJEM LALIQUE 13c4

Another very attractive exhibit whose long body is well muscled, well proportioned limbs, nice bushy tail. Lovely well prepared silky textured coat is long and of pale even colour with nice lilac points, all markings to feet are good. Head is well shaped, medium ears set well apart, full cheeks, slight profile dip. Almost round expressive eyes of very good colour. Relaxed and gentle boy, lovely condition and temperament.

#### 3 CARRY GR PR SHWECHINTHE HUNKYDORY 13c3

A very well structured fellow with well muscled body on thick-set legs, firm paws, tail is in proportion. Lovely coat has silky texture, very good colour with nice milk chocolate points, good gloves, level gauntlets have blunt finish to one side. Well shaped head, medium ears set well apart, slight dip in profile. Very good eye shape and colour. Lovely temperament and condition, he is relaxed and gentle.

### CHOCOLATE OR LILAC POINT BIRMAN GRAND PREMIER: FEMALE

#### 1 UK GRPR BRIGLIADORI & ROBSON UK GRCH & IGR PR SHWECHINTHE SASSKIA 13c4

Delightful ten year old lass who is neat and very very sweet. Feeling well muscled with nice substance to body, her tail, legs and paws are all in proportion. Lovely silky fine coat well prepared, ruff frames her face, overall colouring very good showing well defined lilac points. Very good markings to all feet. Rounded head, ears well placed, well developed muzzle and nice line in profile. Expressive eyes are deep blue. Mature girl with a sweet gentle temperament.

### CHOCOLATE OR LILAC POINT BIRMAN PRE-PREMIER: MALE

#### 1 PR NELSON & LIDDLE ADATELO TEDDY POM-POM 13c4

An extremely attractive exhibit, just a year old and well grown with good muscle to body and well proportioned limbs. Lovely silken coat is very well prepared, bushy tail, pale and clear colouring with lilac points developing well, tidy markings to feet. Very good shape to head and ears, nice profile line, good muzzle, eyes have very nice colour and expression. A lovely youngster in nice condition; sadly he became rather upset by the sudden loud tannoy.

### CHOCOLATE OR LILAC POINT BIRMAN KITTEN: MALE

#### 1 ADAMS AREZZA STARDUST 13c4

Well grown and well structured kitten of eight months. He has a lovely 'feel' and muscle to body, legs are thick-set, strong paws, lovely tail is really bushy. His lovely silky textured coat is very well prepared and has good length, showing lilac mask and ears, colour on rest of points developing well, tidy markings to all feet. Rounded

head, ears are well placed, full cheeks, good shape at muzzle, mid-blue eyes of good shape are well set. A strong kitten with super temperament and condition.

2 BURMAN JANDOUGLEN LEAWOOD BEAU 13c4

Well formed kitten of six months with good muscle to body, his tail, legs and paws are in proportion. Well prepared coat has lovely silky texture, pale clear colour across body with points developing well. Tidy markings to all feet. Rounded head, ears are well set, slight dip in profile, good muzzle, almost round eyes of very good colour. A delightful kitten, super temperament and condition.

**CHOCOLATE OR LILAC BIRMAN KITTEN: FEMALE**

1 BOB DELANEY DEENLAY MISSDIOR 13c4

A delightful and very attractive kitten of seven and a half months. Well muscled body has good length, well formed limbs, short strong paws, nice bushy tail. Lovely coat is well prepared, good length and silky texture, wearing a sweet ruff around her neck. Lovely colour with lilac points developing well. Tidy markings to all feet. Rounded head has ears well spaced, full cheeks, very nice line in profile. Almost round eyes of very good colour. Lovely temperament and condition, she is a real sweetie.
