## SHOW RULES AND REGULATIONS

The Show is held under the Rules of the Governing Council of the Cat Fancy and is open to all. As a copy of the Rules is NOT included with this schedule, all exhibitors are reminded that they should read Section 4 of the Show Rules, as they will be strictly applied. Ignorance will not be accepted as an excuse for a breach of the Rules. (Copies of the Rules may be obtained from the GCCF Offices, 5 Kings Castle Business Park, Bridgwater, Somerset TA6 4AG. Price £2.00).

The Committee reserve, to themselves, the right to:

Appoint other judges should those advertised be unable to fulfil their engagement, and to appoint further judges should they be required.

Fix and limit the number of exhibits at the show.

To accept or refuse exhibit entry without giving reason.

Cancel, amalgamate or divide classes.

Publish a catalogue of the show containing information as to the exhibits and names and addresses of exhibitors.

Retain a percentage of the entry fees to cover essential expenses, in the event of the show being cancelled for any reason.

Refuse admission into the Show hall without giving a reason.

Make an administration charge for any cheque returned unpaid by the bank. The exhibitors' entry will be withdrawn from the show until such time as the entry fees plus an additional £10.00 administration charge are paid by that exhibitor. No further personal cheques will be accepted from that exhibitor.

## REGISTRATION

All Cats, Kittens and Neuters exhibited at a GCCF Show must be registered. To be effective for entry all registration and/or transfers must have reached the GCCF Office at least 21 days prior to the show. No Cat or Kittens, entire or neutered, born after 19.10.71, with one or both parents, grandparents or great grandparents unregistered shall be eligible for entry into Open Classes.

All unregistered Cats, Kittens and Neuters of unknown or unregistered non-pedigree parentage are eligible for entry in the Non-Pedigree Section. All Non-Pedigree cats over nine months of age must be neutered.

**Exhibitors are responsible for the correct description of the exhibits and for entering them in the correct classes. Please do not omit to Read and Sign the declaration – if joint owners, both must sign the form.**

## GENERAL GUIDELINES ON ENTERING SHOWS

Where possible, always complete your show entry form from your GCCF registration document (i.e. Registration or Transfer Certificate) for the cat that is to be exhibited, **printing** the details carefully to avoid any misinterpretation of your handwriting.

If you have not received your registration document at the time of entry, complete the show entry form with the details from the pedigree, giving the first choice of name if it is a non-prefix registration, and put RAF (Registration Applied For) or TAF (Transfer Applied For), or both, in the Regd. No. box. It is wise to enclose a stamped self-addressed acknowledgement postcard with all registration and transfer applications, particularly for cats entered for shows, so that you know that the application has been received by the GCCF.

Try to keep a copy of your entry form – then, when you receive registration details and number, check these against the entry form and notify the Show Manager in writing of any differences in the details as well as giving the registration number, if applicable. This may not be in time for the printing of the show catalogue, but the Show Manager should attach your letter to your entry form, which will save unnecessary notification of discrepancies when that show is checked. All catalogue errors are checked against the original entry form and any exhibitors letters are used for reference. Show managements are permitted to accept corrections, at their own discretion, up to the close of the show (on show day); such a change must not be a change of exhibit.

If you are entering several cats from your household and the registered owners (exhibitors) differ

within that household/family, check with the Show Manager whether using one entry form is acceptable or not and, if it is, indicate **very clearly** which exhibitor owns which cat, ensuring all owners sign the entry form. It may be less confusing and more acceptable to the Show Manager for each owner to use separate entry forms, but joint owners of an exhibit(s) should always use the same form and **both must sign**.

## STATUS OF ERRORS – WHAT TO EXPECT

### Minor Errors

These warrant a notification for your reference if the error occurs more than once and it is apparent that registration details were available at the time of entry or before the date of the show. Continuous repetition of the same error after notification will be referred to the Executive Committee.

Examples of minor errors include:

- spelling errors
- separation of cat's names that should be one word, and vice versa
- administrative/breeder's prefix omitted from, or partially incorrect name given for exhibit
- overseas title preceding the name of an exhibit, sire or dam etc.
- full breed number known but not given
- sire and dam reversed or named incorrectly
- breeder joint when single and vice versa

### Incorrect Date of Birth

This is usually classed as a minor error unless it affects an entry into classes based on age groups, when it could warrant disqualification of the exhibit from such classes; but if the incorrect date of birth affects the age suitability as a whole, then the exhibit will be disqualified from the show.

N.B. AGE LIMITS: Kittens – **not less than 14 weeks** and under 9 calendar months on date of show

Adults – not less than 9 calendar months on date of show

### Incorrect Name of Exhibit/Owner/Breeder

If registration/transfer details were obviously available at the time of entry or before the date of the show, disqualification is inevitable. The following discrepancies are those which usually arise:

- |                                |   |  |
|--------------------------------|---|--|
| EXHIBIT                        | * | Totally incorrect name   |
| REGISTERED OWNER/<br>EXHIBITOR | * | Joint when they should be single and vice versa<br>Declaration not signed by registered owner(s) |

N.B. The exhibitor(s) must be the registered owner(s) of the cat and **not** necessarily the person who actually takes the cat to the Show.

BREEDER      Totally incorrect name or names

N.B. The breeder of a cat is **always** the registered owner of the dam on the date of the cats birth.

### Registration/Transfer Not Received By GCCF 21 Days Before The Date Of The Show

These entries will be disqualified. Remember, the effective date of all registrations and transfers is the **first date of valid receipt by the GCCF**, and if you enclose your own stamped addressed acknowledgement card with your application form this will be stamped with the GCCF Office date of receipt.

### Transfer Of Exhibit From Exhibitor To A New Owner Received By GCCF More Than 21 Days Before The Date Of The Show

Entries such as these will also be disqualified, as the exhibitor's entry form becomes invalid.

### Incorrect Or Ineligibility Of Class Entry

These will be disqualified from the class concerned – so always check with the Show Manager if in doubt about which class to enter. If a breed number is changed officially, it is important that you notify the Show Manager immediately. Exhibits entered in the Grand class must have qualified on or before the published closing date of the show.

### **Cat Registered On The Reference Register**

No cat registered on this Register is eligible to be shown and therefore these entries will be disqualified.

The only exception to this is when a new breed becomes recognised; and then, cats of the breed may be shown even if they are registered on the Reference Register as long as this was the only reason for the Reference registration.

Exhibitors may appeal against any disqualification resulting from show checking, giving their reasons. The appeal will be referred to the Executive Committee if considered valid and, if not, a letter of explanation will be sent to the exhibitor(s). The above advice, however, is aimed to keep your show entries trouble-free, not to mention the show checking.

### **VETERINARY**

Exhibits will be received at the entrance to the show hall from 7.45am until 9.30am on the morning of the show. All exhibits must be brought to the show in boxes, baskets or suitable containers, and must be accompanied by their owner or representative.

Each exhibit will be examined by the Clubs Honorary Veterinary Surgeons, who are authorised to exclude any exhibit they consider unfit. No exhibit may be penned before being examined. Exhibitor's passes will be issued at vetting in – **there are no tallies**. All cats exhibited at shows held under GCCF Rules must have a current vaccination certificate against FIE, FVR and FCV ("cat flu"). The full course, in accordance with the manufacturer's recommendations, must have been completed more than seven days before the show. The certificate must have been issued by a veterinary practice/hospital and the last vaccination entry signed by a Veterinary Surgeon or by a listed Veterinary Nurse under the direction of a Veterinary Surgeon. Cats without a valid vaccination certificate will be rejected under Section A, unless the exhibitor undertakes to provide proof of vaccination by sending the certificate to the GCCF. Office, within seven days of the show. Failure to do so will lead to disqualification from the show and the Cat's name will be placed on the veterinary rejection list until proof of vaccination is received in the Office. **Please note that HOMEOPATHIC VACCINATION cannot be accepted for the purpose of vetting in.**

Exhibits must have clean ears and coats free from pests. Any exhibit rejected by the Veterinary Surgeon must be removed by their owners and entry fees are forfeit. If in the Veterinary Surgeon's opinion it is desirable, all other exhibits from the same cattery and the owners shall be debarred from attending the show. The Veterinary Surgeon's decision is final.

### **VETERINARY REJECTIONS**

Exhibitors whose cats have been rejected at shows should note the following points:

When sending a clearance certificate to the GCCF Veterinary Officer please include your copy of the rejection slip.

Do not send certificates by recorded delivery as this can cause delays in receipt. If acknowledgement of receipt is required, please enclose a stamped addressed postcard for signature acknowledging receipt.

Exhibitors should not attend shows until they have received a letter accepting and confirming clearance from the Veterinary Officer.

### **PENNING OF EXHIBITS**

Every exhibit must be provided with a white sanitary tray and clean plain white or near-white blanket or blankets without distinctive marking or edging, which may be arranged in such a manner as to assist the comfort of the cat. Cellular blankets are not allowed, but white Vet-bed or like material may be used if preferred. A **hot water bottle** or **heat reflecting material** or a **cool pack** may be used, provided they are covered by a blanket in accordance with GCCF rules. Any other form of heating will lead to disqualification. All exhibits must have water, but food containers must be removed when judging commences at 10am, and may not be returned until

12.30pm. One **small toy** may be placed in the pen after the time announced for the admission of the public. Judges are instructed to pass any pen that is distinguished in any way, other than official notices or award cards. No written or printed matter may be placed on competitive pens – **For sale signs are NOT permitted!** Exhibition pens **only**, may be decorated and may carry printed matter relating to the exhibit. Exhibits actually received into the Show Hall cannot be removed without the sanction of the Show Managers. They are only received on condition that the Society shall not be held responsible for any loss or damage to exhibits, boxes or baskets or in any other way. **Please Note** that it is the Exhibitors responsibility to ensure that their cat's pen is safe and secure before leaving the hall.

The Show closes at 5pm or earlier at the Show Managers' discretion. No cat may be removed from its pen before this time. Any exhibitor interfering with or removing any cat from its pen during the show, except with the consent of the Show Managers, will forfeit any award that may be due to his or her exhibit.

### **JUDGING AND JUDGES**

Judging will commence at 10.00am and exhibitors will be requested to clear the hall at this time until 12.30pm, whilst the Open Classes are being judged. Judges are empowered to withhold any prize, award or certificate in any class if the exhibits do not, in their opinion possess sufficient merit. Prizes will be awarded from the Judge's award slip and not from any catalogue or prize card. A Judge's decision is final. An exhibitor may not approach a Judge, nor enter into conversation with a Judge, until that Judge's engagement is complete.

In the event of a change of Judge of an Open Class occurring after the closing date of the show, providing the exhibitor informs the show manager prior to judging that a certificate has previously been awarded by the replacement judge, the show managers shall appoint one other judge who shall judge the cat and if the cat is considered worthy countersign the certificate which shall then count towards Champion/Premier status.

If the replacement judge at the first show has also been previously booked for a subsequent show, the closing date of which is before the date of the first show, then at the subsequent show this judge can be considered as a replacement judge for the purpose of requesting a countersignature. When a cat which has been awarded a certificate at the Supreme Show is entered under the same Judge, for the equivalent certificate, during the following three months, then at one subsequent show this Judge can be regarded as a replacement Judge for the purpose of requesting a countersignature.

### **IMPERIAL, CHAMPION AND PREMIER TITLES**

The title of Champion for Cats and Premier for Neuters shall be granted to exhibits winning three Challenge Certificates at three shows, under three separate judges. A GCCF Challenge Certificate will be offered for each Cat/Neuter Open Class of recognised breeds with Championship status.

The title of Grand Champion for Cats and Grand Premier for Neuters shall be granted to a Champion or Premier winning three Grand Challenge Certificates at three shows, under three separate judges. The Grand Champion and Grand Premier classes are Open classes, and a Champion or Premier exhibit may enter both its breed Open Class and the 'Grand' Class.

The title of Imperial Grand Champion for Cats and Imperial Grand Premier for Neuters shall be granted to a Grand Champion or Grand Premier winning five Imperial Certificates at five shows, under five separate judges.

### **ADVICE TO EXHIBITORS AS FROM 1.6.92**

You are advised against purchasing any shampoos that change a cat's coat colour or the use of Stress Remedies including Skullcap or Valerian which change a cat's normal appearance or physical reaction as this is forbidden at GCCF shows and will lead to disqualification under Section 4 Rule 14.

Any person whose cats have been rejected under sections C or D must not officiate as a judge or

steward, or in any other capacity which requires the handling of cats at shows, until a clearance certificate as required by the GCCF has been obtained.

Queens who are pregnant, lactating or who have kitted within 12 weeks of the date of the show may not be shown.

The use of small battery driven fans in pens can be dangerous, and could also be considered a distinguishing feature.

The use of any kind of spray in the hall is strictly forbidden.

Please note that in addition to the classes you have entered, your cat may also be handled for the purpose of assessing candidates in the GCCF appointment scheme.

It is recommended that you clip the claws of your cat/kitten before the show.

Owner's Liability: Please note that Exhibitors (Owners) are responsible for the cost of any veterinary treatment required by their cat/s during the Exhibitor (Owners) absence from the Show hall.

Details from entry forms will be processed by computer.

Advertisements: Exhibitors are advised that advertising the future attendance of their Cat(s) at any GCCF show could lead to disciplinary action and great care should be taken when advertising in magazines, newspapers, newsletters or on the internet.

### **SHOW WITHDRAWALS AND ALTERATIONS**

The last date for withdrawal of a cat from a show is the advertised closing date for entries at that show. After this date the cat/s concerned may not be withdrawn from the catalogue of the show and the 13 day Rule about entering two shows within 13 days will apply. There will be no refund of entry fees if the cat is not present at the show and the entry in the catalogue must not be withdrawn. This ruling does not prevent Show Managers from returning entries after the closing date of the show if they are unable to accept them into the show because the show is full. ALL WITHDRAWALS MUST BE IN WRITING.

**ALL ALTERATIONS AND/OR ADDITIONS TO ENTRY FORMS MUST BE MADE IN WRITING TO THE SHOW MANAGER**

**NB: Exhibitors must advise the Show Manager if an entire kitten has been neutered before Show Day, in order for the appropriate alterations to the Show paper work can be made.**

No telephone alterations and/or deletions will be accepted. Corrections to your entry form can be made on show day.

**There will be no refund of entry fees after entries have closed.**

### **CORRESPONDENCE**

All correspondence must be accompanied by an s.a.e. if a reply is required.

Any complaint related to the show must be forwarded to the Show Manager within seven days of the show.

### **NOTICE OF CHANGE**

An announcement on the Clubs' website of any alterations or additions to this schedule or in these regulations shall be deemed sufficient notice.

**The Show hall has access and facilities for the disabled.**

**There is free parking at the hall.**

**N.B. No photography is allowed without permission of the Show Manager and Exhibitor.**
